DISABILITY REPORT - ADULT

PLEASE READ THIS INFORMATION BEFORE COMPLETING THIS REPORT

The office that makes the disability decision on your case will use the information you provide in this report to decide whether you are disabled. Please complete as much of the report as you can.

You may be able to apply online at: www.ssa.gov/apply.

WHAT WE MEAN BY "DISABILITY"

“Disability” under Social Security is based on your inability to work. For purposes of this claim, we want you to understand that “disability” means you are unable to work as defined by the Social Security Act. You will be considered disabled if you are unable to do any kind of work for which you are suited and if your disability is expected to last (or has lasted) for at least a year or is expected to result in death. So when we ask “when did you become unable to work,” we are asking when you became disabled as defined by the Social Security Act.

IF YOU NEED HELP

You can get help from other people, such as a friend or family member. **Please do not ask your healthcare provider to complete this report.** If you cannot complete the report, you may contact us at 1-800-772-1213 (TTY 1-800-325-0778).
